A photograph of three male athletes performing a ladder drill on a grass field. The athlete on the left is wearing a green long-sleeved shirt with 'DEL NORTH' and an Under Armour logo, dark blue shorts, and dark sneakers. The athlete in the center is wearing a blue t-shirt with a large 'M' logo, yellow shorts, and dark sneakers. The athlete on the right is wearing a green t-shirt with a large 'M' logo, dark shorts, and white sneakers. NOTES:

A photograph of a coach and two athletes on a grassy field. The coach, a man with a beard and tattoos, is wearing a dark blue Under Armour polo shirt and is leaning over, assisting with the stretches of two young men. The athlete on the left is wearing a white Under Armour t-shirt with a 'UMBC' logo and black shorts, sitting on the grass with one leg extended. The athlete on the right is wearing a yellow Under Armour t-shirt with a 'UMBC' logo and black shorts, also sitting on the grass. The background shows a green field and trees under a cloudy sky.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

A woman with dark hair in a bun, wearing a black hooded jacket, black leggings with white reflective stripes, and black sneakers with white soles, is walking away from the camera on a green artificial turf field. She is carrying a large black duffel bag over her shoulder. In the background, there are wooden bleachers and a building under a cloudy sky.

A woman with dark hair tied back is performing a pull-up on a black metal frame. She is wearing a black short-sleeved athletic top and dark purple leggings. Her arms are fully extended upwards, gripping the handles. Her legs are bent at the knees and raised towards her chest. She is wearing white sneakers with black laces. The gym environment is visible in the background, featuring large windows and various weight plates (25, 35, 45 lbs) on a rack to the right. A semi-transparent black banner with white text is overlaid across the middle of the image.

A photograph of a youth sports field. In the foreground, a red running track with white lane markings curves around a green grassy area. A yellow line is painted on the grass. In the background, there is a chain-link fence, some trees, and a tall stadium light pole on the left. The sky is clear and blue. A black horizontal bar is overlaid across the middle of the image, containing the text "YOUTH ATHLETE ESSENTIALS" in white.

Under Armour will not be responsible for any items not checked for order accuracy or sizing before being sent to a printer/screener. We will not be responsible for shrinkage, defects, or damages caused during the imprinting of our garments by sources other than our own lettering department. Screenprinting sublimated uniforms can cause color migration. We do not recommend screenprinting on sublimated garments.

Photography is the property of Under Armour and is not to be used without written authorization.

UNIFORM CARE INSTRUCTIONS

To enhance the appearance and extend the life of your uniforms, Under Armour recommends that you follow these cleaning and storing procedures:

DO NOT DRY CLEAN

DO NOT WASH IN HOT WATER

DO NOT USE CHLORINE BLEACH

DO NOT USE FABRIC SOFTENER

DO NOT WASH WHITES AND COLORS TOGETHER

DO NOT OVERLOAD THE WASHING MACHINE

DO NOT MACHINE DRY ON HIGH HEAT

DO NOT LEAVE WET OR DAMP GARMENTS IN YOUR TRAVEL BAG, IN A PILE WITH OTHER CLOTHING OR IN WASHING MACHINE

- Pre wash uniform prior to use.
- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- Wash and rinse all garments in warm water (approx. 110°) with mild detergent. Remove promptly after wash cycle.
- For optimum results, hang garments (especially those with elastane) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage, discoloration, and cracking and peeling of vinyl plastisol lettering inks.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

PLEASE NOTE: Under Armour will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.
